

*Pets On Jets provide the opportunity to bring your pet cat or dog into Manchester without the need for it to spend a six month period in quarantine.*

*Established in June 2004 by British Airways Regional Cargo we have the only airport facility outside the London area licensed to operate the British Government's Pet Travel Scheme (PETS for short)*

*To learn more on how to make the most of this facility we recommend you visit the DEFRA website: [www.defra.gov.uk](http://www.defra.gov.uk) or phone them on +44 (0)870 241 1710*

## What To Do On Arrival at MANCHESTER

Whether arriving at Terminals 1, 2 or 3 you will need to make your way to the Pets On Jets facility which is located in the Manchester Airport Freight Terminal.

By car, leave the passenger terminals area by the M56 motorway spur road and take the M56 (direction Birmingham) for one exit. Leave at Junction 6 and follow the black information signs to the 'Freight Terminal'.

Alternatively, taxis are usually plentiful or take the bus from the airport's transport interchange.

If you and your pet have arrived from another EU country there are no customs formalities and in a short time your pet will have been checked. If all is in order the animal will be released to your care.

If you have arrived from outside the EU you will be required to complete a simple customs declaration before formal release of the animal. Once again all PETS documentation is carefully checked and if all is in order you will be able to take your pet away with you.

In the event that there is a problem preventing immediate release of the pet, arrangements will be made to transport the animal to a quarantine kennel of your choice. The pet will be kennelled until such time as the licensing authorities are satisfied that all criteria have been fulfilled. The kennelling and transportation charges will be *at your expense*.

Pets On Jets opening hours are as follows
